Education

Indian Institute of Information Technology Sonapat
Bachelor of Technology in Computer Science

Aug 2023 – May 2027
CGPA: 9.2/10

Shri Krishna Sr. Sec. School
10th-Central Board of Secondary Education - 92%

April 2019- Feb 2020

Shri Krishna Sr. Sec. School
12th-Central Board of Secondary Education - 95%

April 2021-Feb 2022

Professional experience

• **Google Developer Student Club (GDSC), IIIT Sonapat -Member**

Dec 2024 - Current

Projects

WanderLust

April 2025

- A full-stack web application featuring user authentication, listing creation, editing, and deletion, along with a custom geolocation map powered by Mapbox and a responsive UI for seamless cross-device usage
- Built using MongoDB, Express.js, Node.js and Cloudinary, the platform allows users to upload listings with images, filter and search properties based on location and criteria, and manage content dynamically through a secure backend

News App

Oct 2024

- Developed a dynamic news application that fetches real-time articles and headlines from a public API
- Integrated RESTful API calls to display up-to-date news across various categories
- Implemented key features like search functionality, category-based filtering, and user-friendly navigation

Simon Game

Sep 2024

- Developed a memory-based game inspired by the classic Simon game, where difficulty increases with each level
- Built an interactive front-end web application using HTML, CSS, and JavaScript, implementing game logic, event handling, and responsive UI interactions

Text Expander

July 2025

- Built a lightweight Chrome extension using JavaScript, HTML, and CSS to create custom text shortcuts, improving productivity with real-time expansion in any text field
- Implemented persistent local storage for shortcuts, a clean popup UI, and efficient event handling to ensure a seamless, lightweight user experience

Skills

- **Programming Languages:** Python, C, C++, Java, JavaScript (ES6+), HTML, CSS, SQL
- **Frameworks & Libraries:** React.js, Node.js, Express.js, Bootstrap, Tailwind CSS, REST API, MERN, NumPy, Pandas, TensorFlow, PyTorch
- **Databases:** MongoDB, MySQL
- **Soft Skills:** Teamwork, Communication, Problem-Solving, Analytical Thinking, Leadership
- **Concepts:** Data Structures and Algorithms (DSA), Object-Oriented Programming (OOP), Software Development Lifecycle (SDLC), Agile, Version Control
- **Tools:** Git, GitHub, VS Code, Postman, Vercel, Render, Cloudinary, Mapbox, Docker

Achievements

- Ranked 107th on CodeChef global competitive programming contest, securing 2nd position in college.
- 3* at CodeChef, Global Rank: 9007
- Have Solved over 250+ LeetCode Questions
- 5* in C++ in HackerRank :630 Points
- Achieved an All India Rank of 16452 in JEE Advance

Position of Responsibility

- Member of Impact Club – IIIT Sonapat
- Successfully cleared the SSB (Services Selection Board) of NDA ,completing all stages of the selection process.
